## Trev Gowdy Host of NBC's No 1 Fishing Show MONSTERFISH

"It was the BEST fishing I have seen there in over 10 years. Where else can you hook 4 blue marlin by 9 AM then move on to 200-300 lb. yellow fin tuna on topwater plugs, all in a single day! I have never seen in all my travels all over the world harder working crews and such a spirit of friendship and laughter!"

## Tony Peña - Outdoor Writer/ Photographer THE ROVING ANGLER

"I've visited 19 countries with innumerable stays at rudimentary shelters to lodging for the rich and famous. I must say I was impressed, pampered and "wowed" by the ownership, staff, facilities, food and activities at the Panama Big Game Fishing Club."

## Jim Scarlata - International Angler and Lecturer

"There was just one thing wrong with my stay at Panama Big Game Fishing Club.....it wasn't long enough! I have been around the world and seen many so called fishing lodge's. But this one is rated 5 star....it's the very best."
